Look at this hotel!
ドヤ?...
.....
It's a very nice room...
We might forget that we only came here to see the research presentation...
It has... an open air bath...
Right!
I thought you were going overboard looking for a place, and you got this...
Fufufu~!
It wasn't easy finding a couple's package with a private open air bath at this time of year!
C-
Couple!?
This kind of thing is nice once in a while, right?
It's a first for us, after all!
♡

Fufu~
Now, shall we go eat?
gulp
It's not even evening yet! You need to do those kinds of things at night...
I guess so, huh...
E-
Even so!
Here, we can have sex all day and it won't be a problem!
Doo

shove
...Oh?

You checked it yourself earlier.
It uses a one-way film or something.
We... really can't be seen from outside, right?
Wow...
It's really the outside...
Ah...
Fufu~
Are you embarrassed?
Well... This is a bit...
And it's airtight, so the air conditioning works fine. See, it's not too cold.

ヒビビビ
It's more exciting, right? ❤
But this way...
. . . !
Yup! ❤
The water's all gooey! ❤
Eh!?

I put in some bath additives to make it feel more like a hot spring and give off a more intimate mood.

Let's see...
Tomorrow's presentation ends around four, what should we do afterwards?
Stay here another night?
Hm?
We have nothing else to do, so why not do whatever you want?
I guess...
Since we came all the way here...
Um... We could...

Hah!?
The words are a bit different,
We could take it easy and-
And fuck all day!
Right?
Would you listen to what I'm saying!
Then, it's fine if we don't do it tomorrow?
Um... That's...
Well, if it's a request from Chloe, then I've got no choice.
You're such a pervert, Chloe!
N-No!
I never said that!
But the meaning's the same, right?
